

Welcome to the 13th annual MBE Summit:

“Business Fitness”!

Just like a car needs a tune-up, every business needs updated training to stay FIT. To be successful, it is essential to slow down to speed up. Thus, we invite each of you to slow down for a day and join us at MBE Summit 2019, on Dec. 2 in Greenville, South Carolina.

A special Thank You goes out to our host sponsor, Michelin. Without our Corporate Partners (listed on Eventdex), we could not realize success. As you prepare to attend the MBE Summit, we need everyone to download the EVENTDEX APP so that you can follow our speakers, review the agenda, connect with other attendees, and set up Matchmaking appointments.

Our MBEs have spoken and we are listening:

- ✓ Join us to learn how to develop sustainable, renewable contracts;
- ✓ Hear how successful MBEs are engaging with each other for Business-to-Business (B2B) opportunities;
- ✓ Understand how to successfully respond to RFPs; and
- ✓ Get the answers to: Where is the money? How can you gain access to capital for growth?

Register early to take advantage of Matchmaking sessions with up to 8 corporations (*based on availability*).

We want to see all of our MBEs and Corporate Partners at the table for this **V.I.P.** event. You have to be at the table to ENGAGE, EAT and WIN!

(Registration is limited to the first 150 registrants)

V.I.P. – VALUE. INTENTIONALITY. POWER.

Value - Create and demonstrate value in all aspects of our work.

Intentionality - Engage with intentional behavior to drive success.

Power - Maximize the power of the CVMSDC network.
