

KRISTIN BENTSEN

Amgen

Manager, Risk Management and Small Business

Liaison Officer

Carolinas-Virginia
Minority Supplier
Development Council

Kristin Bentsen is Manager, Risk Management and Small Business Liaison Officer (SBLO) at Amgen. In this role, Kristin is responsible for the management of Amgen's Supplier Diversity & Sustainability Programs ("Responsible Sourcing"), partnering with internal stakeholders to execute strategies for these programs that are aligned with Amgen's Environment, Social and Governance "ESG" goals. In addition to her passion for driving Responsible Sourcing within Amgen, Kristin holds board positions with Diversity Alliance for Science (DA4S) and Women's Business Enterprise Council – West Region (WBEC-West) as well as serves on various committees with local, national, and global advocacy organizations committed to supplier development and outreach.

Connect

Prior to joining Amgen in 2012, Kristin worked for Sony Pictures Entertainment (SPE), Home Box Office Inc. (HBO), and Warner Bros. She received a bachelor's degree in Communication Studies from University of San Francisco (USF).
